***Notice of Intent to Award Contract
for
RFP #21.001 Inmate Technology Services
to
Global Tel*Link Corporation***

The Collier County Sheriff's Office, Procurement Bureau, is pleased to announce Notice of Intent to Award for the Inmate Technology Services. The contract must be fully executed prior to work being performed.

CCSO reserves the right to negotiate further terms and conditions, to include price, with the highest percentage ranked proposer at the end of the evaluation process. If CCSO is unable to reach a mutually beneficial agreement with the first selected proposer, CCSO reserves the right to enter into negotiations with the next highest ranked proposer and continue the process until an agreement is reached.

- 1. This is notice of the Collier County Sheriff's Office intent to award a contract on a conditional basis. A final contract award will be announced upon successful conclusion of contract negotiations between the Collier County Sheriff's Office and selected Contractor.*
- 2. Contractor will not proceed with the scope of services stated in the RFP until the CCSO Procurement Bureau issues a final contract award announcement.*
